

Further Important Information Regarding the Tour

Wasserkuppe April 2020

- The itinerary is based on providing a relaxed journey using the shortest journey time possible in a luxury coach with comfort stops every few hours.
 - We appreciate the start on Sunday 26th is quite early (06:30) and for people living nearer to the channel tunnel, it may be possible to pick up the coach near the Eurotunnel around 08:30 if that is closer than Lasham. This will be advised later, and any parking costs will be extra.
- The Hotels have been selected to provide a good standard of accommodation and food and in the case of our destination hotel, very close to the Museum. Accommodation is based on twin rooms with 2 sharing with a single person/room occupancy supplement available. T4 Travel Ltd have reserved a mix of rooms and 2-person occupancy will take precedence over single occupancy of twin rooms.
- The Tour is being run by T4 Travel Ltd a specialist coach tour company who are responsible for all arrangements related to this tour. Gliding Heritage Tours are acting as the interface between people booking a place and T4 Travel Ltd. We will receive all booking forms and payments and forward these to T4 Travel at the appropriate time. Any money collected will be held in our own dedicated bank account until paid to T4 Travel.
- The cost shown for the tour is based on current costs and exchange rate. While T4 Travel Ltd does not expect costs to change they reserve the right to pass on any increases they incur such as exchange rate fluctuations, taxes, fuel costs, Brexit etc as detailed in the booking conditions.
- The costing for this tour is based on a minimum of 30 people paying the complete cost. If we get more than 30 attendees T4 Travel Ltd will give a retrospective rebate. This rebate will be paid as a donation and we propose that the GHC, VGC and LVGC committees will agree how this should be spent.
- Should we not receive 30 bookings then Gliding Heritage Tours in conjunction with T4 Travel Ltd will make the decision as to whether this tour can continue.
- If the tour is cancelled before the 17th July then all moneys paid will be returned less any administration costs (bank charges, postage etc). Once the deposit is paid and we have achieved 30 bookings, it is non-refundable unless a replacement is found. Should we not receive all the final payments due by 31st January 2020 then T4 Travel may have to revise the final cost of this tour.
- We will confirm by email, as shown on the booking form, each booking received. We will also notify you when we reach our minimum number to make the tour viable and other relevant information.
- If you would like to find out more about the Segelflugmuseum (German Gliding Museum) these links provide a lot more information or Google The German Gliding Museum Wasserkuppe.
